General Notes:

- Unless otherwise requested, locomotives on the rear will not assist the leading locomotive.

- All passengers wishing to alight at High Rocks or make connections at Tunbridge Wells West, please be ready to alight as soon as the train has stopped. Travelling in the carriage at the Eridge end of the set is preferred for alighting at High Rocks, as this is where the platform exit is located.
- Please do not under any circumstances alight from a moving train and only alight where there are platforms or access steps.
- Where n/s is shown in the timetable that train does not stop there.
- Alighting is not possible in Groombridge Loop.

- YARD is the Yard at Tunbridge Wells West, access to the train is by use of steps only.
- Platform 2 & 3 at Eridge is of full height, step free access to the station platforms is not available.

Connections:

Whilst we understand passengers like to make connections, please note in the event of late running this may not be possible.

Eridge section:

To comply with our Eridge operating instructions, doors will be locked on the Network Rail side of the train between Groombridge and Eridge.

Please note:

Our railway is run entirely by volunteers, we will not tolerate any verbal or physical abuse towards them.

The Spa Valley Railway reserves the right to make changes to the timetable or locomotive allocations for whatever reason without prior notice being given. This may be due to late running, locomotive failure or otherwise, our decision is final. Full event updates can be found on our Facebook page.
