# TASTING NOTES

## APPEARANCE

A crystal clear, bright liquid.

## NOSE

Crisp, complex and inviting. Juniper and citrus are accompanied by floral, herby notes

## TASTE

A soft and creamy initial offering, Classic juniper flavours ease into a more citrus tongue, before making way for sweet, spicy notes.

## FINISH

Bold and long, with leafy herbal notes and a smattering of sweetness. Hiding a crisp, dry lift at the very end.

Inspired by Kent and distilled by scientists, this super-smooth gin blends sixteen botanicals including samphire from the Romney Marsh, Kent hops, locally foraged elderflower, and lavender from the national collection at Downderry Nursery.

Anno Kent Dry Gin makes for the perfect base for a Martini or used in a G&T, and is simply sublime when combined with a premium tonic water and finished with a garnish of samphire and lime.

Anno Kent Dry Gin has been awarded the prestigious Gold Medal from the San Francisco World Spirits Competition 2015, proudly boasts a silver award at the International Wine and Spirits Awards in 2014 and 2015, and a double gold star from the Great Taste awards, amongst others.
