ANNO

ORANGE
& HONEY
GIN

A FRESH COMBINATION OF ZESTY ORANGE, BALANCED WITH THE SWEETNESS OF LOCAL HONEY, BEE POLLEN AND FLORAL ORANGE BLOSSOM. FLAVOURS THAT REPRESENT THE FLOWER TO FRUIT JOURNEY AND A GIN THAT SUPPORTS THE PROTECTION OF BEES.

TASTING NOTES

APPEARANCE

A vibrant orange hue with a glistening honey tint.

NOSE

A zesty, punchy, fresh orange fragrance delicately sprinkled with sweet natural honey and light treacle aromas.

TASTE

An immediate burst of citrus orange zest gives way to the complex sweetness of orange blossom and bee pollen, carefully balanced with the tones of light honey.

FINISH

Long and sweet, with woody notes, juniper, and spices which linger tenderly on the palate.

Delivering a bold citrus burst, Anno Orange & Honey Gin infuses zingy orange zest and locally sourced honey with subtle spices, ginger and nutmeg to create the refreshing taste that awakens your palate.

While enjoying your Anno Orange & Honey Gin drink, reflect on the important role bees played in the development of ingredients that tingle your taste buds. Bees are vital to our ecosystem, especially here in Kent - the "Garden of England". That's why we've teamed up with Bee Friendly Trust to support their mission to create habitats for honey bees and all pollinators to thrive. Knowing that Anno are making a donation per bottle sold should make your drink taste just that bit sweeter.
