Lakedown

BREWING CO.

We're very happy to say that the first beer brewed at the new Lakedown Brewery was a Green Hop Sussex Pale. The hops were picked next door at the Hollamby Hop Farm at 6am and in tank by 8. The total distance travelled was just under a mile. We think that's about as local & fresh as it gets!

WELCOME!

Welcome you to the Spa Valley Railway and our 12th Beer and Cider Festival in association with West Kent CAMRA!

An event run entirely by volunteers, this festival has a great array of beers & ciders for you to enjoy. With 160 beers and 50 ciders on offer along the railway there really is something to wet everyone's taste buds at Kent's biggest beer and cider festival!

We have a selection green hop beers joining this event making which can be found in our in our engine shed, the main location of the festival. Eridge, Groombridge and the trains have different beers and ciders to offer, for trains refer to Set A or B in our timetables, there is a bar on each!

Throughout the three day beer & cider extravaganza our heritage steam & diesel trains will be put through their paces moving people between the various festival sites and becoming bars themselves. There is an additional shuttle train this year between Eridge and Groombridge enabling you to sample beers and ciders away from the main site at more frequent intervals.

Whilst we want everyone to enjoy themselves, we operate a strict Challenge 25 policy and any behaviour deemed inappropriate by a member of Spa Valley Railway or West Kent CAMRA staff will result in instant dismissal from the festival/the Spa Valley Railway's premises.

Please drink responsibly!

Many thousands of volunteer hours are spent making this event possible and we hope you'll enjoy your time at the Spa Valley Railway with us and West Kent CAMRA throughout our festival!
