# Welcome!

It is our absolute pleasure to welcome you back to the Spa Valley Railway & our 10th Real Ale and Cider Festival in association with West Kent CAMRA! An event run by volunteer members, the festival has an great array of beers & ciders for you to enjoy. With 150 beers, 30 ciders and for the first time a Gin & Prosecco bar on offer at Tunbridge Wells West courtesy of Bucklers, there really is something to wet everyone's taste buds throughout the event!

As usual we have a selection Green Hop beers joining this event making which can be found in our in our engine shed, the main location of the festival. There is also a small range of European craft beer available in bottle from the main bars.

Groombridge and both the trains have different beers and ciders to offer, for trains refer to Set A or B in our timetables and down the line at Eridge, the Cellar Head Brewery will be taking over the station and running a tap room for the first time in our festivals history.

To keep hunger at bay we've arranged for the return of the popular Fullers Butcher BBQ and joining us for the first time is Sankey's in the Engine Shed. There will be further food at along the line at Groombridge & Eridge.

Throughout the three day beer & cider extravaganza our heritage steam & diesel trains will be put through their paces moving people between the various festival sites and becoming bars themselves.

This year we are bringing you a visiting diesel in the form of Class 33/0 33002 'Sea King' courtesy of South Devon Diesel Traction which will be joined by the incredibly popular steam locomotive Battle of Britain Class 34053 'Sir Keith Park'. The Bulleid Pacific is in steam from the beginning to the end of service during the festival.

Trains start at Tunbridge Wells West from 10:00 on all three days of the event and from Eridge at 10:30. We will be operating a 45 minute interval service for most of the day with trains running well into the Friday & Saturday evenings.

Trains are timetabled of course but sometimes for operational or commercial reasons we may be delayed. Please keep an eye on the Spa Valley Railway Facebook page for any alterations to the times of the trains.

The annual beer festival is a major source of income to the Spa Valley Railway, without which we wouldn't be able to continue building on the success of the 5 mile heritage line.

Run by a 100% volunteer workforce the Spa Valley Railway first opened in 1996.

Whilst we want everyone to enjoy themselves, we operate a strict Challenge 25 policy and any behaviour deemed in appropriate by a member of Spa Valley Railway or West Kent CAMRA staff will result in instant dismissal from the festival/the Spa Valley Railway's premiss.

## Please drink responsibly!

Many thousands of volunteer hours are spent making this event possible and we hope you'll enjoy your time at the Spa Valley Railway with us and West Kent CAMRA throughout our festival!

### **Guiding You Through our Beer Festival**

On entering the Victorian Engine Shed at Tunbridge Wells West, you will encounter the glasses and cash desk where you can choose between a pint, half pint tankard or a stemmed chalice glass\*, all marked with half and third pint measures to enable you to sample more beers or ciders in smaller quantities should you wish during your stay. The non-refundable glasses are all priced at £3 and branded for you to take home as a souvenir of your visit to the festival.

As no cash is taken at the bar, plastic tokens can also be bought along with your glass as payment for drinks and the simplest way to get up and running is to buy a £10 starter pack of a glass and £7 worth of tokens. Both glasses and tokens can also be bought at Eridge and Groombridge stations and on the train. Members of CAMRA, on production of an in date and valid membership card at the cash desk, are entitled to a free glass with their Starter pack (so receive £10 worth of tokens instead of £7). The membership card must be presented before purchase.

### **Explanation of Tokens**

Plastic tokens are available in the following colours with light **blue/turquoise** having a value of £3, white £2, **red** £1, and the lower denominations **dark blue** 50p.

You can buy more tokens at Tunbridge Wells, Groombridge and Eridge stations and on the trains as required during your visit but please refrain from buying large quantities of tokens at any one time as we need to ensure that sufficient tokens are always available for all our customers. Note that refunds of tokens at the end of your stay will be restricted to a maximum value of £5.

**NOTE: Tokens are NOT valid at Eridge on the Cellar Head Bar or at the Gin & Prosecco Bar at Tunbridge Wells, these accept cash or card only.**

### **Festival Locations & Bars**

In the Engine Shed you will find the main bar with cask ales arranged roughly alphabetically by brewery, a dedicated bar for the seasonal Green Hop beers (brewed with freshly-picked hops), a separate Cider and Perry bar, and a Gin & Prosecco Bar (does not accept tokens, cash or card).

Groombridge has its own marquee on the platform at the station and beers are on the trains, so you won't go thirsty if you're travelling up and down the line between festivals through the attractive Sussex countryside.

At Eridge Cellar Head Brewery is running a bar in the new railway van parked in platform 3, they accept cash or card but not tokens.

### **Tasting notes & pricing information**

Tasting notes within this programme will help you to choose your preferred style of beer or cider while the barrel end labels detail the beers and pricing by pint, half and third measures. Any relevant allergen information will also be found on the barrel labels.

### **Food Available**

At Tunbridge Wells West we'll have Sankey's and Fullers Butcher available for you to purchase food from, at Groombridge you can get 10% off at the Junction Inn pub, just across the road from the station, when you show them your train tickets.

Unfortunately, due to the way the world is right now we've been unable to secure food outlets for Groombridge and Eridge Station, snacks are available from the kiosk on Groombridge platform and on board both train sets.

### **Beer to take home?**

With such a large choice of drinks on offer you might well not have a chance to try everything you'd like on the day, so containers are available at the bar to buy beer to take away at the end of your visit. Fuggles also has a range of very rare bottled beers available for you to take away!

### **Vote for your favourite Cask & Keg beers, Cider**

Finally, we would encourage you to vote for your favourite beer and cider of the festival using the voting slip provided in the centre of this programme, as this type of recognition for a brewer is really appreciated and can be particularly valuable to them.

### **Non-Alcoholic drinks**

These are available in limited supply at the Tunbridge Wells West main bar.

This festival is organised and run entirely by both Spa Valley Railway and CAMRA volunteers to raise funds to maintain our Heritage Railway. Your support and custom are appreciated.

### **\*Glasses**

Unfortunately, for a number of reasons including the uncertainty surrounding whether this event would be able to take place and the costs associated with purchasing new glasses we have been unable to secure additional glasses for this year's event. We will have more for 2022!

Please accept our apologies if you are given a plastic cup instead, we will make this up in tokens, don't worry!

# BEER & CIDER FESTIVAL 2021

## DRINKS LIST & TASTING NOTES

*Beers and their locations correct at the time of going to press!*

Every October since 2011 we have held this increasingly popular event, attracting lovers of good drink and vintage rail to Tunbridge Wells, Groombridge & Eridge.

Hopefully many of you will be returning visitors, but here's a brief outline for those who aren't.

The festival has two components – beer and trains. You can partake in either or both. The beer festival is **FREE**. You just need to 'get' a glass (which you can keep as a souvenir) and buy some drink tokens. Beer and cider is available in the Engine Shed in Tunbridge Wells, on the trains and at Groombridge. To travel on the trains you need to buy a ticket from the station ticket offices. Eridge station this year is a bar run by Cellar Head Brewery, tokens will not be valid there, similarly tokens will not be valid at the Gin & Prosecco bar at Tunbridge Wells West.

### BEER & CIDER SALES ARE VIA TOKENS OR CASH/CARD DEPENDENT ON THE BAR.

Glasses (all sizes) £3 non-refundable (as a souvenir!)

Token equivalent prices for beer below.

CASK BEER & CIDER			
Colour Code	Pint	Half	Third
Green	£4.00	£2.00	£1.50

- If there are any changes to the amount, date or frequency of your Direct Debit, Stripe will notify you 2 working days in advance of your account being debited or as otherwise agreed. If you request Stripe to collect a payment, confirmation of the amount and date will be given to you at the time of the request.
- If an error is made in the payment of your Direct Debit, by Stripe or your bank or building society you are entitled to a full and immediate refund of the amount paid from your bank or building society.
- If you receive a refund you are not entitled to, you must pay it back when Stripe asks you to.
- You can cancel a Direct Debit at any time by simply contacting your bank or building society. Written confirmation may be required. Please also notify us. Setup of Direct Debit instruction with Stripe on behalf of CAMRA.
